

## **Manufacturer Certificate**

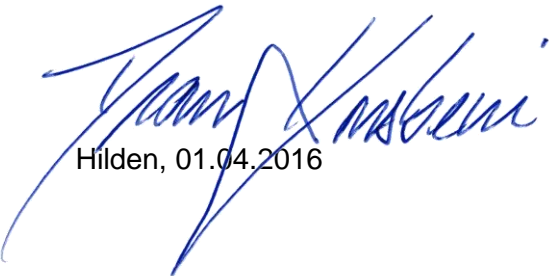

We confirm, that the ultrafilter filter elements Series

**Filter elements type**      - SRF  
   - P-SRF  
   - P-SRF-N

were produced regularly in Germany due the specifications of latest manufacturing edition and in accordance with the agreement of the order. The Ultrafilter elements are validated in accordance with DIN 8573-1:2010.

The manufacturer Ultrafilter GmbH guarantees a minimum of 200 sterilization cycles at 120 degrees Celsius for 20 minutes for the filter elements stated above.

Should for any reason the number of the minimum sterilisation cycles will not be archived, Ultrafilter GmbH will replace the filter elements free of charge.
